Taxes and Other Fixed Charges Wipe Out Net Operating Income in April

WASHINGTON, June 21 .- Railoads in the eastern and western classification territories sustained a deficit in net income in April but the roads in the southern territory had a ing all expenses, according to a partial summary of operating revenues and expenses made public today by the interstate commerce commission. Eastern roads had a deficit of \$14,-723 880 after paying all expenses in-cluding taxes, while the deficit of the western roads was \$2,296,562.

Nestern roads was \$3,296,562.

Operating revenues in the eastern districts were \$127,080,772, and operating expenses \$123,157,076. In the southern district operating revenues were \$70,035,994 and operating expenses \$64,619,155 and in the western district operating revenues were \$121,785,979 and operating expenses \$124,562,554. \$124.562.554 Payment of taxes and other fixed charges not included in operating expenses increased the deficits of the eastern roads, wiped out the net operating income of the western roads and decreased the net balance of the courber roads.

southern roads.
